OFFICE OF THE LEGISLATIVE COUNSEL

Thursday - 9 March 1967

2. [redacted] Left the "support package" of press clippings with Mrs. Oosthoek in the office of Representative Frances Bolton (R., Ohio).

3. [redacted] Left the Agency information brochure with Mr. Billey in the office of Senator Milton Young (R., N. Dak.).

4. [redacted] Informed Joyce Judelson, in the office of Congressman Peter Rodino (D., N.J.), that [redacted] will be the after-dinner speaker whom they had requested. It was arranged that [redacted] will meet the Congressman at Rodino's office at 1830, 21 March. While I was speaking with Miss Judelson the Congressman came in and informed me he is still having trouble with Mr. Feighan on the bill on behalf of Radio Free Europe and Radio Liberty. He asked me to expedite the letter which he had requested from the Free Europe Committee and also suggested that [redacted] should get in touch with Mr. Feighan and express a sense of urgency in getting this bill passed. I have informed [redacted] of both of these requests.

5. [redacted] Spoke to Mr. William Ohlhausen, Research Assistant to the Senate Subcommittee on Administrative Practice and Procedure, concerning the report which has been requested on S. 924. I pointed out to Mr. Ohlhausen that the Agency does not issue press releases other than in the most extreme cases and would never originate a press release concerning an employee who might come within the purview of the proposed legislation. In the circumstances Mr. Ohlhausen agreed that it could be pointless for the Agency to submit a report and informed me that he would note on his records that the committee has received a response from the Agency.
